Proceedings of a meeting of the Executive Committee of the Sir
Sheshadri Iyer Memorial Fund, held at 8.30 A.M. on Sunday the
31st July 1910.

Present:-

Mr.V.P. Madhava Rao C.I.E. (in the chair)

" M. Visweswaraiya

" H. W. Sparkes

" V.H.Karve

" C. Srinivasa Iyengar

Mr. Wrumblegal kindly attended and gave the Committee the benefit of his advice.

I. Read the Report of the Auditor deputed by Government to audit the accounts of the Fund from 8th January 1905 to 2nd April 1910.

Read also the explanatory memo placed before the meeting
by the Secretary

Recorded.

II. That in view of the importance of completing as early as possible the front of the Memorial Hall which in its present unfinished condition is very unsightly, an application be made, to Government that a sum of Rs10,000/- be now placed at the disposal of the committee out of the accumulated rent of Rs15,000/- referred to in the Proceedings of Government-----*no 68-48-50/42-45-09-228/1/10* such sum being required to meet the cost of the following two items which in the opinion of the Committee should be taken in hand at an early date

1. Roofing the verandas-----Rs 7058
2. Porches----- 2525

III. That ~~other~~ having regard to the liberality with which Government have dealt with the Committee, no rent be demanded/

from the Education Department for the use by it of a portion of the building for the Sloyd Class from September 1907 to September 1909.

IV. That, following the precedent of 1908-09, the taxes demanded by the Municipal Council for 1909-10 be paid, but that conditions having since changed and the building being in the language of the proviso to section 59 of the Municipal Regulation of 1906 one "Ordinarily used for a charitable purpose", a representation be made to the said Council that the building be exempted from future payment of taxes. The payment provided by Government is practically in the nature of a grant-in-aid for the purpose of enabling the Committee to meet the cost of completing the building and neither that payment nor the use to which the Hall is being put by Government affects the character of the building in any way.

V. Public feeling being strongly in favour of the Statue which has been lying in a box for several years, being erected at some suitable place without any further delay, the Committee are of opinion that since the site already selected and graciously approved by His Highness the Maharaja, could not as is apprehended be made available in the near future after effecting the proposed extension and improvement of the Gubbion Park, the Statue should be put up temporarily at some other place from which it could be easily shifted to the site above mentioned. Of the three alternative sites suggested in this connection the small bit of ground in the rear of the Hall was by all the members present considered unsuitable. Mr. Puttanna Chetty and Mr. Sparkes were in favour of the triangular piece of land opposite the Ookad. Mr. Krumbiegal too thought that except for its distance from the Hall this was an ~~amazing~~ excellent site for the statue permanent or temporary. The other members were however not in favor of this site.

Resolved in accordance with the opinion of the majority that the Statue be temporarily erected on the small piece of land

What point of view is it with face here

land in front of the Memorial Wall i.e. between the wall and the present Sheshadri Road. While emphasizing the temporary character of the arrangement, this would have at the same time the ~~advantage~~ advantage of not dissociating the Statue even temporarily from the Memorial Hall, the latter being a merit to which the Committee attach no small importance. As soon as the improvements under contemplation are made by Government the Committee will take steps to have the Statue removed to and reerected on the site already finally decided upon.

v. That Mr. Krumbiegal be invited to join the Committee as a member.

Note:- He agreed.

Sir, 29.3.11

With reference to your letter No.G2228 of 30th September 1910, stating that the erection of Sir Sheshadri Iyer's Statue must await the completion of land acquisition proceedings, I am desired by the Committee to again bring to the kind notice of Government that the Statue has been lying idle here for the last 3½ years and that subscribers are becoming bitter in their complaint of inordinate delay in its erection. The pedestal stones are not only ready but have ^{been} also ~~been~~ received recently from Mysore and by the courtesy of the Chief Engineer temporarily taken charge of by the Executive Engineer of the Bangalore Division till I could arrange for ^{their} disposal.

2. In these circumstances a reconsideration of the order quoted above is earnestly solicited unless the acquisition proceedings have been completed in which latter ^{Case} I beg that early orders be kindly issued to the local authorities directing that the site already selected and approved by Government be placed at the Committee's disposal in view to erection work being put in hand as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,

Rajamantra Pravina C. Srinivasiengar
Hon. Secretary.
